

# Visible Structures

## Grindstone Lake, Sawyer County, Wisconsin

Map 5.6b

### Structures Visible from Littoral Zone and Statistics

- |  |                     |                       |  |                      |
|--|---------------------|-----------------------|--|----------------------|
|  | Miscellaneous       | 1 Total Observations  |  | Municipal Road       |
|  | Boat Launch/Landing | 1 Total Observations  |  | County Trunk Highway |
|  | Accessory Building  | 16 Total Observations |  | Section Boundaries   |
|  | Deck, Dock or Pier  | 46 Total Observations |  |                      |
|  | Residence           | 77 Total Observations |  |                      |

Total shoreline for Grindstone Lake equals 12.46 miles

### Data Sources

Visible structure field inventories conducted by citizen volunteers from the Grindstone Lake area in conjunction with the UW-Stevens Point GIS Center, Summer 2010. The inventory was conducted by boat in the littoral zone of Grindstone Lake during full leaf-on tree canopy conditions. Only structures visible to the naked eye were documented. Locations of structures were affixed to large-format hard copy maps and assigned a personal identification number. Attributes indicating type of structure, were recorded in a log book. Hard-copy maps were scanned, georeferenced to the Sawyer County Coordinate System, and digitized to the Grindstone Lake geodatabase by Jon Galloy and Michael Broton, UW-Stevens Point GIS Center.
